MEMORANDUM FOR THE RECORD

SUBJECT: Captive Nations Legislation

1. At C/IO request, I met with Glion Curtis of the	Department of State
on 24 June to discuss Captive Nations Week. I referred	d to notification given
to the Department in	of the attempts
by Mr. Lev Dobrianski to organize a Captive Nations W	eek this year by Con-
gressional Resolution, listing as "Captive Nations" cou	ntries such as the
Ukraine, Aserbiajan, etc., which are officially recogni	ized by this Govern-
ment as integral parts of the USSR. I re-emphasized th	hat Dobrianski is in
no way associated with the Free Europe Committee and	briefed Mr. Curtis
on Dobrianski's most recent approaches to Congressme	n and private groups,
including the ACEN, soliciting support for his approach	to a Captive Nations
Resolution.	

2. I said that both the Agency and Mr. Archibald S. Alexander, President of the Free Europe Committee were concerned about the possible problems that such a Resolution would raise in the light of last year's experience. After having outlined the problem to Mr. Curtis I asked him if he knew of any State Department plans to try to insure that the Dobrianski approach was not accepted and to keep whatever Captive Nations Resolutions that might be adopted confined to the so-called Captive Nations of Eastern Europe or at least limited to a general resolution which would not list the objectionable countries. Mr. Curtis said that the Department was fully aware of the problem as outlined and was indeed concerned about it, but that he knew of no specific plans to approach the Congress. He said that he did understand, however, that an approach to the White House was being considered with a view to urging the President against issuing a Captive Nations proclamation this year.
